QuickStart

Write down 10-20 Friends you want to get healthy with you.

Send them this text regarding your coach:

“Hey____, any interest in doing this nutritional rebalancing program with me? I’ve been hearing about it for awhile and watching people get awesome results for a while now. I am so ready to do it but I want an accountability buddy to get healthy with!

My friend is coaching me, she’s worked with loads of people and doesn’t charge anything...all we do is pay for the products. Look at her before and after picture. She is almost 50 and started after her third baby. So, I know we can do this! You wanna hold each other accountable and do this with me?

Share on Social Media.

Ask your coach for an authentic way to share your story.

SAY, SHARE, DO

We developed Say, Share, Do to give you a starting point when sharing Isagenix with your friends and family. **For the best results**, do not copy and paste these verbatim – **adjust them to fit your personality, and make them your own**. Remember to be realistic; not everyone you talk to is going to say yes right away. Even the pros typically share Isagenix with 10-15 people before they get one yes! Follow up with those you've shared Isagenix with before, because you never know when someone will realize they need what you're offering.

TEXT MESSAGE QUICK TEXTS

_____, I am on a mission with the health and wellness company I've partnered with to help a million families get healthy in 2019. Do you know anyone who is interested in getting and staying healthier?

Hey _____! I'm really excited I'm working with this team of people who are helping others get out of debt and create an additional income stream. I'd love to talk to you about it.

_____, I just started on this nutritional system and I feel amazing. I feel 10 years younger and am building muscle. I know you've always been into health, so I thought about you! Can you give me a call so we can talk?

IF YOU WANT TO SHARE THE OPPORTUNITY

Hey, ____ ! I was recently introduced to an amazing global health and wellness company called Isagenix. I've only been using their system for _____ (days/weeks/months) and have experienced _____, _____, and _____ (share your authentic experience). When I looked at the business side of Isagenix, I realized that there is an incredible financial opportunity along with the amazing products, too. Now, I know you (love your job/are really passionate about your business/already have so many irons in the fire, etc.), but you're one of the most _____, _____, and _____ (write from the heart) people I've ever met, and I just think the world of you. I'm going to run with this, and I think you'd absolutely crush it, too. Ultimately, I have no idea whether this will be for you...But if it is, you're going to be really happy I shared it with you. Would you be open to taking a look and learning more about it?

THEY RESPOND: Yes!

Great! My box is already on its way/my box has already arrived. I'd like to send you a video that I loved, which helped me get started. If I send you the website, when can you watch it?

THEY RESPOND: Tomorrow at 9:30 a.m.

OK, that's perfect. I'll follow up with you then, and we'll discuss the video. So excited to do this together! Wait till you see the results people are getting with this; you'll flip. Here's the link: [Insert your replicated website/IsaMovie].* Talk to you at _____ (time and date).

THEY RESPOND: I'm excited! Thanks for thinking of me!

OPTIONAL WRAP UP

Search for a fun GIF to send them (i.e., "bikini," "fit," "shredded"). This will be us soon (enter finger pointing up emoji).

THEY RESPOND: Woo!

TO CREATE A LINK TO YOUR PERSONAL ISAGENIX WEBSITE:

(Please note that you must be an Associate to have a personal Isagenix website)

2. Hover over the "Resources" tab.
3. Click "Manage My Website" to create your website URL

FACEBOOK POST

The intention of this post is to assist in helping you make an impact on the health of your friends within your social network. Sharing through social media can be challenging, so we have provided you with a sample “Post Template” and “Follow-Up Template” to help maximize your results.

Social Media Pro Tips

Posts with photos receive more engagement on social media. If you don't have your own “before” and “after” photos yet, we recommend using your Enrolling Sponsor's photos in your post (include the weight loss disclaimer when posting). **Peak social media traffic** typically falls **Sunday through Thursday between 7:30 to 8:30 p.m. (your local time)**.

IF YOU HAVEN'T STARTED YET:

After watching my friend, (tag Enrolling Sponsor), release/experience/have _____, _____, and _____ (describe his or her results) thanks to an amazing health and wellness system, I decided it was time for me to have my own experience, because I am tired of feeling _____, _____, and _____ (it's OK to be vulnerable here!). I'm so excited to get started. My system hasn't even arrived yet, and I'd love to have some of my good friends join me so we can hold each other accountable. Who's up for looking and feeling their best?

IF YOU'VE ALREADY STARTED:

After watching my friend, (tag Enrolling Sponsor), release/experience/have _____, _____, and _____ (describe his or her results) thanks to an amazing health and wellness system, I decided it was time for me to have my own experience, because I was tired of feeling _____, _____, and _____ (others can relate to your struggles – be authentic). I've only been using the system for _____ days, and I'm already _____, _____, and _____ (be real and honest with your experience here). I'd love to have some of my friends join me on this journey so we can hold each other accountable. Who's up for looking and feeling their best?

PROGRESS POST (we highly recommend including photos of your progress, if you have them):

Before I found this system, I was feeling _____, _____, and _____ (insert a powerful message here), and I decided that enough was enough. After watching my friends get results, I finally decided to get started on an amazing health and wellness system, and I can't believe what's happened already! I've only been using the system for _____ days/weeks, and I've already experienced _____, _____, and _____ (don't be shy! Share the results of your work)! I've tried so many things before this, and I'm incredibly grateful to my friend, (tag Enrolling Sponsor), for introducing me to this. It's super simple to follow, and everything tastes _____! Finally, a solution that works for me!

ONCE FRIENDS START COMMENTING, (here's what to say through direct message using this template.)

Once your friends start commenting, reply in the comments of the post saying you will send them a direct message with the information, then use the template below. Remember that for every comment, there are likely 5-10 other friends just reading the comments and not saying anything. By direct messaging them the details, they have to connect with you to find more information instead of just reading your conversation with someone else.

Hey, (name)! I'm glad you commented. One of the things that excites me most about making these healthy changes is doing it with _____ (friends/family/people I know/co-workers, etc.). This may or may not be for you, but if it is, what would you love to see happen?

THEY RESPOND (i.e., lose weight, have more energy, etc.)

Awesome! A big reason I was inspired to get started is because this system can help people in different ways. I've seen so many incredible transformations. I know that some of my biggest challenges (with staying in shape are/that contributed to getting out of shape were) _____, _____, and _____ (describe your personal challenges, i.e., no time to eat healthy, didn't know where to start, too busy with the kids, working long hours, etc.). What have been some of your biggest challenges with (enter their goal – losing weight, sleeping better, etc.)?

THEY RESPOND

I can understand that. I'd love for you to watch a video that I watched in the beginning to get started. It's in our private Facebook group called Team Inspiration along with lots of testimonials from others in our community. Is it ok to add you and tag you?

THEY RESPOND That sounds great!

If I send you the link, when would you be able to take a look?

THEY RESPOND I can take a look tomorrow at 8 a.m.

OK, awesome. Here is the link; <https://www.facebook.com/groups/IsaTeamInspiration> I'll give you a call around 8:15 a.m. for your feedback, after you've explored the site a little.

THEY RESPOND Great! Can't wait!

And that's it! You can continue the conversation after they've watched the video.

MESSAGE

Three way message on FB or IG: "Welcome to the team!" including another team member that you feel would relate to them and explain why you are connecting them and be specific.

Example: Hey Jen, I want to connect you with my amazing friend Suzy. Suzy is looking to lean out and lose 15 pounds that she feels like she can't lose even though she has been working out like crazy. Just like you, she's got really small kids at home and no time. Suzy--Jen has had amazing results her story and yours are so similar! She can't believe the energy she has to keep up with her littles! Jen--can you message back and send your transformation pic and share your story with Suzy? She's totally committed to leaning out and feeling better but she's concerned about the upfront price and that she won't have energy for her workouts. Thanks friends! Have a great day!

INTRODUCE THE PAKS

Before we can do anything, you have to know WHY someone is interested by ASKING LOTS and LOTS of QUESTIONS. Here are some examples of what to ask when someone is interested. It's called the CAKE RECIPE.

"This system is amazing. Before we talk more about Isagenix, I want to take some time to learn more about your goal. Tell me what you're looking to achieve. People do this for energy, sleep, stress, weight loss, vitamins, food, muscle, money. Which resonate most with you?"

THEY RESPOND:

"How long have you had this goal?"

THEY RESPOND:

Sounds like it's time to make a change. On a scale of 1-10 with 10 being totally committed, how committed would you say you are to achieving _____(enter their goal)?

THEY RESPOND:

Why is this so important to you?

THEY RESPOND

What do you think would be different in your life when you achieve _____(enter their goal) in the next 90 days?

THEY RESPOND

is there anything you aren't doing because you aren't comfortable where you are?

THEY RESPOND

"Is there anything else that i can provide that can help you with your decision to get started today or would you like me to make a recommendation on how to get started?"

THEY RESPOND

Based on the goals you shared, there are 3 packs I would recommend. The first one breaks down to **\$10/day**, the second one is about **\$15/day** and the other breaks down to **\$20/day**. Remember, with all 3 packs you're having 2 meals a day provided for you.

The **basic pack** is a super basic bare bones system but still gives you all the products you need to have a great experience.

The **premium pack** will give you better results than the basic pack but still not the optimal results you would receive from the Value Pack, but it has a lot of the snack options for shake and cleanse days.

The **value pack** pack, however, is my highest recommendation based on the goals you shared because its a complete system with supergreens and vitamins.

Which sounds like the best fit for you?"
THEY RESPOND

CLOSE THE DEAL

IF YES:

Great! Where would you like this shipped?

[LINK FOR ORDER FORM](#)

IF NOT READY TO MAKE A DECISION:

I completely understand! Do you want to take a look at the other available pack options? There are so many price points and combinations. You can look at the options here:

[LINK TO OTHER PAKS](#)

Which one would fit for you?

If at ANY point they say “no” or do not want to continue the conversation - that’s OK! Tell them “thank you for taking the time,” and ask them if you may keep them on your list to circle back with them down the road. Timing is everything and you never know when someone will realize they really do need what you have to offer.

AFTER TAKING THEIR ORDER

Ask “Would it be at all beneficial if I can help you make the money back that you spent today?”

THEY RESPOND

It’s very rare people pay full price for their nutrition because Isagenix has an amazing opportunity available. Who are two people you know that would want to do this with you and we can get your nutrition paid for? Show them the benefits of sharing with two.

NEW MEMBER CHECKLIST

CASUAL SHARER/BUSINESS BUILDER QUALIFYING QUESTIONS

Within the enrollment process, you will ask them if they are interested in learning how they could get paid for sharing Isagenix products with others. Let your new Member know that in order to help set them up for success, you're going to ask them some additional questions (listed below). As you ask these questions, dig deeper into each question to learn more about them, their goals, and their reasons for wanting healthy change in their life.

1. What do you do for a living now? Do you enjoy your work?
2. What would your ideal life look like if you could design it?
3. How much money do you think you'll need to achieve that ideal life?
4. How much time do you have per week to achieve those goals?
5. On a scale of 1 to 10, how committed are you to achieving your goals?
6. I want to help you achieve your goals. Taking focused action quickly is the best way to start. So, will you write down the names of the top 10 people who you think might be interested in joining you and get them to me by tomorrow? Think of people who have a burning desire to live a life of their dreams or people who are dissatisfied with their health or financial wellness situation.

Work with your new Member to create the list of their top 10 people they think may be interested in joining them.

YOU SHARE, THEY SHARE, REPEAT SCRIPT

[LINK TO YOU SHARE VIDEO](#)

What excites me most is that Isagenix has a simple way to help you pay for your products. It's called You Share, They Share, Repeat™.

So, who do you know who would want amazing results like yours?

There are packs to suit every goal and budget, but for this example, let's use the Weight Loss Value Pack.

Let's say that <.....name.....> enrolls with a Weight Loss Value Pack, so Isagenix would pay you a US\$100/CA\$110 Product Introduction Bonus, known as a PIB.

Then <.....name.....> also enrolls on a Weight Loss Value Pack, so Isagenix would pay you another US\$100/CA\$110 PIB.

HERE'S WHERE IT GETS REALLY EXCITING!

If both friends get started and place their initial orders in the same commission week — that's Monday through Sunday — Isagenix would DOUBLE your PIB for that week.

That's a total of US\$400/CA\$440 so far.

When you do this, you'd move to the first leadership level, and Isagenix would pay you a one-time bonus of US\$50/CA\$55.

You would now have earned a total of US\$450/CA\$495 just for helping two new Customers get started!

This is called You Share.

Together, we would help your two other friends do exactly what you did by sharing the Isagenix products with two other people.

If both of them manage to share Isagenix with at least two Customers each, you would receive a US\$100/CA\$111 bonus for helping <.....name.....> and another US\$100/CA\$111 bonus for helping <.....name.....>.

This is called They Share.

Up to this point, you would earn a total of US\$650/CA\$717!

If you do this within your first 60 days of becoming an Isagenix Independent Associate, you would move to the second leadership level and receive another one-time bonus of US\$250/CA\$277.

That's a potential grand total of up to US\$900/CA\$994. Now you could do this once, and it would cover more than the cost of your Weight Loss Value Pack. And you can repeat it to earn even more money.

Repeating these steps can help you pay for your products each month or even build a secondary income. You Share, They Share, Repeat is just the beginning; the earning potential with Isagenix is amazing!
